WELCOME!

Dear PreCollege Student and Family,

Welcome to Ringling College of Art and Design, a leader in higher education for ambitious and creative young artists. As a PreCollege student you will study with Ringling College faculty and be mentored by upper-class students both in and outside class time. This PreCollege Student Handbook details the College's expectations of students as members of the Ringling College of Art and Design community.

In combination with rigorous academic studies, Student Life contributes to student success through co-curricular activities that complement the education experience and promote collaboration among peers. Within this learning community Ringling College fosters personal growth, encourages leadership, illuminates career directions, and promotes the spirit of exploration.

***Family support is equally important.***

We respectfully appeal to families and students to refrain from requesting campus visits and/or student leave from campus for non-emergency reasons during this short challenging program.

Please allow your student to immerse in their work and community, to utilize the College's resources and to network with their peers during this exceptional opportunity. Plan family and friend visits before or after the PreCollege program to support your students' steps into young adulthood.

It is our goal to provide a friendly, comfortable and supportive atmosphere for all PreCollege students. We look forward to welcoming you to the Ringling College PreCollege Community!

Sincerely,

The Ringling PreCollege Team

## SCHOLARSHIPS AND FINANCIAL GRANTS APPLICATION

Need-based financial support opportunities are available through the application online at [www.ringling.edu/precollege](http://www.ringling.edu/precollege). PreCollege provides financial assistance through scholarships, grants, and matching funds in agreement with contributing organizations and College policies.

The student must have submitted the PreCollege 2023 Application prior to submitting a Need-based Financial Grant Application. **NOTE:** For your security, this application is submitted via Dynamic Forms. Please retain your Dynamic Forms accounts sign-ins. One for the student, and a second for the parent(s).

Due to limited funding, scholarships range from \$500 up to \$3500 toward the tuition, housing, and meals fees. Scholarship funds do not cover the refundable Residence/Damage Deposit or, SHIP-Student Health Insurance Policy, if applicable.

\*\*Applying for funding does not guarantee an offer of funding. Therefore, upon acceptance and notification of **temporarily reserved immersions**, the \$500 TUITION DEPOSIT is due on the date noted in the acceptance email. Timely payment will secure the immersions offered. Late remittance of the Tuition Deposit may forfeit the temporary immersion reservations. If payment is remitted at a later date, available immersions will be offered at that time.

Partial scholarship/grant financial support may be offered, following committee review of:

- PreCollege Application and Teacher Recommendation
- Scholarship Grant Application and Required financial disclosure as detailed.  
*Incomplete applications will not be reviewed.*

**The Scholarship Application closes March 3, 2023.**

**Funding offers are emailed on or before April 1, 2023. You must ACCEPT or DECLINE the offer.**

- The PreCollege academic courses are designed to reflect real experiences from our diverse majors, in two immersions.
- Students are automatically enrolled in the four core courses derived from the College's innovative first-year curriculum.

## **CLASS POLICIES**

While each instructor may set additional policies regarding class conduct and requirements, the College does have a few policies that apply TO ALL classes and/or scheduled co-curricular PreCollege events.

- **CELL PHONES MUST BE TURNED TO VIBRATE DURING CLASS.**  
Personal communication devices, audiovisual and/or electronic equipment are prohibited during class time unless their use is at the express direction of the instructor.

- **DO NOT SEND TEXT MESSAGES IN CLASS.**
- It is the instructor's sole prerogative to determine if a student is:  
In a fit condition to perform class work, i.e., is not under the influence of any substance/medication and is not sleeping. Indeed, working on assignments for that particular class (rather than working on projects for another class or doing personal or freelance work).
- Distracting other students resulting in impairment of the learning environment.

If the instructor finds a student in violation of any of these provisions, or the policies outlined in the course syllabus, they may require the student to leave the class and may subsequently mark the student absent, which could affect the student's standing in PreCollege as stated in the attendance policies.

#### **Saving your files and assessments**

- Students have approximately 2-weeks following PreCollege to download any/all information they want to retain from Canvas and Ringling Google Drives.

**TRANSCRIPTS:** Students may request a copy of their Ringling College transcript in the fall following PreCollege. Transcript requests are made via [www.ringling.edu/transcripts](http://www.ringling.edu/transcripts). Scroll to the selection indicating you do not have a Ringling system email (PC system access is suspended 2-weeks following the end of the program). **ATTENDANCE/TARDINESS:** Ringling College’s policy on attendance assumes that students are mature and responsible for their behavior. Students are expected to attend all classes on time. Attendance is taken twice during each class. An alarm clock will be necessary if the student tends to oversleep. PreCollege morning classes BEGIN at 8:30 am EST.

**Medical and Non-Medical Excuses**

Tardiness or absenteeism during the program due to a medical problem such as a contagious disease or debilitating illness should be reported immediately to your faculty, TA, or the Student/Residence Life Staff. Students are responsible for communicating with the instructor(s) whose class was missed to arrange for make-up assignments.

Based on the nature of the program, a student who misses two class days may have to withdraw from the program or be at risk of receiving no credit. For all non-medical excuses (e.g., death or illness in the family), the student must submit written documentation from a parent or guardian to the Dean or an Associate Dean of Students.

**Excused Absence, Unexcused Absence and/or Tardiness**

If a student is absent from half of one class without written permission from the Dean or an Associate Dean of Students, the student will be subject to disciplinary sanctions as outlined in the section titled "Disciplinary Procedures." A student who has acquired two or more unexcused absences from classes may be subject to disciplinary action including dismissal from the PreCollege program and/or failure to receive college credit.

**Unexcused tardiness** to class, including over-sleeping, is considered irresponsible and rude to fellow students as well as to your instructor. Lateness of more than 15 minutes will be reported. Two or more cases of unexcused tardiness may be subject to disciplinary action.

### **OPEN STUDIOS - Understanding Open Studio Expectations and Attendance**

Working outside of class is an integral part of education. Students will be EXPECTED to work outside of class time to meet the course demands. Regularly scheduled **Open Studios** are offered throughout the program for students to work on their assignments. Independent work and self-motivation are fundamental to the curriculum. Teaching assistants are always present to monitor each Open Studio and to assist with processes. Students are expected to attend open sessions based on their individual schedules and project deadlines. Students are recommended to attend at least 1 hour of the 3 hours available each evening at Open Studios.

### **ETHICS - Plagiarism**

Plagiarism is defined as copying or handing in someone else's work as your own. It is unethical to download and/or edit without permission another student's work. Plagiarism or any other form of academic dishonesty is a serious offense against the academic ideals of the College and warrants disciplinary action, which may include dismissal from the program and/or failure to receive college credit for the program.

### **Special Concerns IN A CLASS**

In case of a special problem or concern with a course, fellow student, or staff member, please talk to your instructor first. If the problem is not resolved to your satisfaction, then speak with Nathan Skiles, Faculty and Academic Coordinator of PreCollege and/or, Diane Zorn, PreCollege and/or, or the Associate Dean of Student Life or Associate Dean of Housing and Residence Life.

- Support networks, creative programs, and social activities make it possible to bring new perspectives to concepts studied in class and otherwise help to broaden horizons.
- **Full participation in student life and enjoying the rights and responsibilities students are afforded as a member of the Ringling community is considered an integral part of the PreCollege experience.**

**Residence Life**, working in tandem with Student Life, is committed to learning and growth outside the

classroom. Each student will have a Resident Assistant (RA) assigned to his or her living area. The RA is extensively trained in community development, crisis intervention, leadership and mediation helping to foster a sense of community. The Director of Residence Life and the Associate Dean of Residence Life supervise the RAs.

The cooperative living experience requires that residents act responsibly and respect the rights of other community members. Each resident should understand and adhere to the policies, regulations and code of conduct as set forth in this handbook.

- PreCollege students will be housed in a state-of-the-art first-year residence hall designed especially for creative people.
- Residence floors/wings will be restricted to gender assignment.
- Residence halls are centrally located with immediate access to lounge/recreation areas, Office of Residence Life, Office of Student Life and the mailroom.
- Bedrooms are either doubles with a private bath or “suite double” style housing – a large double bedroom that shares a bathroom with the adjoining double.
- Typical room size is 11” x 16” and is equipped with extra-long twin beds, desks with chairs, wardrobes, and chests of drawers.
- Residence halls have project rooms for creating artwork on each floor.
- The building is secured by electronic access control systems, allowing entry to only the residents of each floor/wing. Photos of on-campus housing can be found on the College’s “Student Life” web page at <https://www.ringling.edu/virtual-tour-residence-halls/>
- Questions or concerns about residence maintenance should be reported to your RA.

#### **ATM and Check Cashing - Spending Money**

An ATM is available in Goldstein Hall. Spending money is not required however, it may be desirable to have for snacks, incidentals, and souvenirs. Laundry facilities are no charge – bring your own soap.

#### **Health and Medical Services**

Ringling College will offer on-campus health care through **Sarasota Memorial Healthcare** at the Health Center facilities, Monday through Friday, 8:30 am-2:30 pm during PreCollege. The Sarasota Memorial Hospital Urgent Care Clinic provides required non-emergency medical services outside those hours. All students must be covered under a health insurance policy, and the company name, policy number, policyholder name, policyholder’s birth date must be recorded on the required health form. All domestic and international students not able to provide complete insurance information prior to May 10, 2023, will be required to purchase a **Student Health Insurance Plan (SHIP)** for \$153 through the College covering the duration of PreCollege.

Payment for medical services are required at the time services are rendered and are the responsibility of the student’s parent/guardian.

Taxi/Uber transportation to a medical facility will be arranged through a staff member and the transportation cost will be deducted from the student’s \$300 damage/residency deposit. If for any reason a damage deposit was waived, the student and parent/guardian will be charged the cost of transportation services.

The student must contact his/her Resident Assistant for arrangements. A staff member accompanies students if they require off campus medical assistance. It is imperative that students ALWAYS immediately notify the RA, a faculty member or a TA of illness or injury.

**In the case of a medical emergency**, the senior staff of the Office of Student Life and/or Office of Residence Life will ensure that the student receives immediate and proper care. Should hospital transport be necessary, an emergency medical transport will be utilized. The Dean or Associate Dean will notify parents or guardians of any such medical emergencies.

Any residential student ill enough that they need to miss more than one day of class may be required to see a physician. Students ill enough to miss class are expected to be in their rooms unless they are seeing a doctor. The Resident Assistant will assure that student needs during ill health are met, and food will be brought to the student's room if necessary.

Due to the brief length and nature of the program, the PreCollege program cannot provide extensive medical treatment or ongoing psychological care. PreCollege staff cannot administer medication to a student. Students are expected to self-medicate according to information indicated on registration Medical Form A.

### **Counseling Services**

Ringling College does not provide mental health therapy for PreCollege students. The College does, however, maintain on-campus mental health counseling services during PreCollege. Counselors are "on call" to provide adjustment counseling, emergency evaluation or mental health crisis management services. The Dean of Students, or her representative, will notify parents or guardians immediately of any mental health emergencies.

### **Dining Services**

Students take their meals in the Hammond Commons at the heart of the campus. Meals are cafeteria-style, and students may choose from a range of traditional and vegetarian options at each meal. A typical lunch might include fresh fruit, salad bar, soup, hot entrees, deli sandwiches made to order, hamburgers/hotdogs, French fries, and desserts. PreCollege students are on a 21 meal-a-week plan. Students must present their Student ID at every meal.

Students with allergy questions requiring special dietary restrictions must monitor their own meals, however the College will make sure that options for those with dietary restrictions are always available. Please email Food Services at [David.Byrne@compass-usa.com](mailto:David.Byrne@compass-usa.com) or [Maria.Mallon@compass-usa.com](mailto:Maria.Mallon@compass-usa.com).

**Students seeking alternate dietary arrangements due to medical reasons, should contact Student Access Services at [SAS@ringling.edu](mailto:SAS@ringling.edu), and complete the SAS form** in the Forms for Accepted PreCollege students.

**Cunniffe Commons** PreCollege meal service hours are (unless otherwise specified):

Breakfast: 7:00 am-8:15 am  
Lunch: 11:30 am-1:30 pm  
Dinner: 5:00-7:00 pm

In addition to regular meals, students may purchase snack items at the **MARKET AT CUNNIFFE COMMONS**, which will have extended hours noted on the student's weekly schedule.

## **FOR YOUR SAFETY**

The Ringling College of Art and Design campus is patrolled 24 hours a day by Ringling Public Safety Officers. In an emergency, Public Safety may be contacted at 941-359-7500, or they may be reached by using the Blue Light Phone Towers, which are located throughout the campus. Students may also contact any Resident Assistant, faculty member or staff member for assistance.

### **Blue Light Phone Towers**

Voice-over IP telephone towers are located throughout the campus as noted on the Campus Map. The blue light phones provide a 24-hour direct phone link to the Public Safety Communication Center. Each tower has two activation buttons, one for “information” and one for “emergencies”. When the VOIP phone is activated the constantly burning blue light at the top of the tower strobes. In addition, a security camera is trained on each tower and that enables the Communications Officer on duty to see the caller while talking to him or her on the phone. These call boxes are not restricted to emergency situations and may be used for non- emergency purposes.

### **Security Cameras**

In addition to security cameras that are located at each blue light phone tower, there are additional cameras recording activity in some of the Ringling Campus parking lots and adjacent city streets. Students should work in partnership with the staff to assume responsibility for their personal safety and the security of their belongings. Common sense and mature actions are always the best rule.

### **Recommendations for your safety:**

- Never travel alone, especially at night.
- Lock your room door at night and when unoccupied.
- Record serial numbers and engrave valuable personal items (before arriving on campus).
- Report any suspicious individuals or activities immediately to a Public Safety Officer, RA, or faculty/staff member.
- Keep the exterior doors to the residence halls closed at all times.
- Carry your keys and student ID at all times.
- Keep your art supplies with you.

### **EMERGENCY PREPAREDNESS – Tropical Storms and/or Hurricanes**

When our immediate area is placed under a Tropical Storm Watch or Warning and/or a Hurricane Watch the College’s Emergency Response Team (ERT) will automatically enter an alert status and closely monitor the weather. The President, or his appointee, will confer with the ERT and make decisions regarding the cancellation of classes, closing the college campus and securing facilities, based on the strength, location, and predicted path of the storm.

When our immediate area is placed under a Hurricane Warning, the college’s President may declare a state of emergency, depending on the strength, location, and predicted path of the storm. If a state of emergency is declared, a mandatory evacuation of campus will normally be initiated, with all offices being closed for non- essential personnel and food service operations discontinued. If a state of emergency is announced and evacuation ordered, the Dean of Students will initiate that evacuation of PreCollege students with the assistance of the Associate Deans of Students to our designated shelter or students will be released to a parent or the person(s) listed on their Release/Waiver Registration Form. Students housed in an emergency shelter will continue to be accompanied and supervised by the Residence Life staff/Student Life staff.

**Families should have a plan should the College need to close and evacuate.** Most likely the plan includes the need to pick-up your student or make travel home arrangements.

### **Equipment Check Out**

Sports equipment, cleaning supplies, videos and games are available at the CAB desk. For a complete list of equipment that can be checked out, visit The Fishbowl. Ping Pong and pool are also available. The Fishbowl requires a valid PreCollege ID card in order to use the equipment. Fishbowl open hours will be listed on the student schedule.

### **Laundry Facilities**

Laundry facilities are free but students need to provide laundry detergent. Report mechanical problems to Student Life via your Resident Assistant.

### **Lost and Found**

Found items are turned in to the CAB Window in Goldstein Hall, where they will be held for the duration of the program. After that time, the items will become property of Ringling College. Any identified items will be returned to students.

### **Room Entry and Room Repairs**

The College reserves the right to enter a residence hall room for maintenance and/or cleaning purposes.

when there is suspicion of violation of College policy.

where there is clear evidence that a student's safety is endangered.

If any repair work is needed, contact the Office of Student Life or your RA who will report the problem.

Do not attempt to make repairs yourself. Report damages immediately so a small repair may be caught before it turns into a major expense.

### **Student Mail**

The Mail Room is located in the Goldstein Residence Hall and hours of operation will be posted for student access to mail and packages.

To receive mail at Ringling College, address it as follows:

**Student's Name - PreCollege**

**Ringling College of Art and Design**

**1130 Greensboro Lane Sarasota, FL 34234**

### **SHIPPING ARTWORK HOME**

At the end of the program, a UPS representative will be available on campus to assist students in arranging to ship items home. All shipping costs are the responsibility of the student/parent. Shipping rates will vary. To get more information or to arrange for a shipment home you may call UPS at 1-800-742-5877 or go online to [www.ups.com](http://www.ups.com).

### **Student ID Cards**

Every student must supply a Photo electronically as outlined in the registration materials. An official Ringling College photo identification card is issued during Check In. This card should be worn on its lanyard at all times while on Ringling College property or on College business away from campus. Your ID provides access to your residence hall, the College's Goldstein Library requires this ID to check out books or materials, the ID is needed for evening/weekend access to many academic buildings, and the dining

hall also requires the ID at meal times. Should you lose your ID, the replacement cost to reissue your card will be deducted from your residence/damage deposit.

### **Student Recreation and the Fitness Center**

Your Residence Assistants will introduce you to the recreational opportunities at the Fishbowl. Students also have access to the Fitness Center, located on the ground floor of the Searing Student Center. Fitness Center hours are posted on the student's schedule.

### **STUDENT LIFE / RESIDENCE LIFE POLICIES**

**Alcohol Policy** – PreCollege Maintains a Substance Free Environment PreCollege participants are not allowed to possess, consume or be under the influence of alcohol at any time during the program. Additionally, students may not possess empty alcohol containers.

### **Appliances**

Hot plates, toasters, or anything with a heating coil or an open flame are prohibited during PreCollege.

### **Curfews**

Curfews are strictly enforced in order to ensure the safety of all students. The curfew is 11:30 PM, Sunday through Thursday, and midnight on Friday and Saturday.

### **Damage Policy**

Students are held financially responsible for damage to College property incurred by their own actions or that of their guests, which is beyond normal wear and aging. In cases where the damage is intentional or malicious, disciplinary action will result. Damage and/or cleaning beyond "normal wear and tear" will be deducted from the refund of your \$300 residency/damage deposit.

Students are expected to clean their rooms prior to their departure. Students should plan to work on assignments in the studios or in the residence hall project rooms to avoid fees for paint on floors, doors, etc. When damage occurs on a common floor area and no individual or individuals are found responsible, the charge will be absorbed by all residents of that particular hallway or floor.

Ulla Searing Hall and Goldstein Hall are "green" buildings. To assist with the balance of summer heat and humidity, during the summer months all windows must remain closed except in an emergency situation.

### **Door Propping/Hall Security**

In an effort to protect the security of students and their belongings in the residence halls, judicial action and/or a fine may be imposed where a student is found to have propped open a residence hall door that is supposed to be locked.

### **Failure to Comply**

Failure to comply with directions of College officials or law enforcement officers during the performance of their duties and/or failure to identify oneself to these persons when requested to do so is a violation of College policy.

Additionally, failure to comply with policies by

- Falsification, distortion, or misrepresentation of information;
- Failure to provide information during an investigation of an alleged policy violation is considered a violation of the Code of Conduct.

### **Fire Alarm Systems and Safety**

Tampering with a fire alarm, fire extinguisher or any other fire equipment, the person(s) may be subject to a fine. Students found responsible for such actions, or who fail to evacuate a building in a timely manner during a fire alarm, will be referred for disciplinary action.

### **Fire Drills**

- When a fire alarm sounds in campus housing units, it is mandatory that all students evacuate the building according to the prescribed fire emergency procedures:
- Dress quickly and appropriately for exiting the building;
- Feel the door for heat—if it is hot, do not open! Remain in the room. Place a towel in the airspace under the door. Go to the window and wave an article of clothing until a fire fighter reaches you. If the door is not hot, lock your door, and move quickly to the nearest fire exit;
- If smoke is present, wrap a towel over your nose and mouth and keep low to the floor;
- As you exit, move away from the building and to the patio; and
- Do not re-enter the building under any circumstances until directed to do so by the Residence Life staff or Public Safety.

### **Guests**

During PreCollege, only same gender PreCollege students are allowed as guests in residence rooms. Guests are permitted after classes and prior to curfew. Please be considerate of your roommate's right to the room. A roommate may never be locked out or barred access to his or her room at any time. Any student whose behavior or presence detracts from the community atmosphere or infringes on any resident will be dismissed from the program immediately.

### **Illegal Drugs – PreCollege is a Substance Free Program**

Use, possession, or distribution of narcotic or other controlled substances except as expressly permitted by law is prohibited. The Residence Life staff will strictly adhere to and enforce all Florida law and College regulations regarding illegal drugs.

### **Insurance**

The College does not assume responsibility or carry insurance for loss of or damage to personal/rented property of residents due to theft, fire, wind, flood or other catastrophes within student rooms, designated storage areas or public areas within the residence halls. Therefore, the College advises students to maintain insurance for their personal/rented possessions unless the parent's homeowners insurance covers such instances.

### **Hall Sports**

Because of the potential for noise, damage to the building, and personal injury, the hallways and public areas of the residence halls are not to be used for playing sports. This restriction also applies to the use of water for recreational use (i.e., water balloons, etc).

\*Due to State Law, water guns or any other toy guns are not permitted on campus.

### **Keys, ID Cards, +/-or FOBS**

Students are expected to carry their Student ID/fobs at all times. Keys are not to be loaned or exchanged under any circumstances. Students who find themselves locked out during office hours should report to the Office of Student Life or to RA on-duty after hours. PreCollege students who have lost their keys will have the replacement charged to their residence/damage deposit.

### **Leaving Campus**

Due to the brief and intensive nature of PreCollege, and our desire to build a cooperative, safe, and healthy community, leaving during the program or inviting guests to campus will not be considered. We are working diligently to maintain a safe and healthy community for PreCollege. Barring an extenuating

circumstance, leave or visitations will not be authorized. If an exception is granted, students may not leave campus, even with family members, without prior permission of the Office of Student Life/Office of Residence Life.

For safety and liability reasons, **PreCollege students are not permitted to use or ride in private cars** or other motor vehicles (mopeds, motorcycles, etc.) during the program. If a student drives a motor vehicle to the PreCollege program, it will remain parked in a patrolled Ringling College lot; however, a gated lot may not be available. It is recommended that vehicles be left safely at home.

### **Open Flames**

Open flames such as candles, incense burners and potpourri burners are not permitted in any student room.

### **Quiet Hours**

Residence hall quiet hours are minimally from 11 PM until 9 am, Sunday through Thursday evenings. Weekend quiet hours are from midnight until 10 am Friday and Saturday evenings. Courtesy hours are in effect twenty-four hours a day. As a member of Ringling College and the City of Sarasota communities, it is essential to respect the needs and rights of others in these communities.

### **Smoke-Free**

The College maintains a smoke-free program for PreCollege, which includes all PreCollege faculty, staff and students. The use or possession of any tobacco products by any PreCollege student is forbidden. It is against the law in the State of Florida for people under the age of 18 to smoke. This prohibition extends to e-cigarettes as well.

### **Weapons**

Firearms or any sort of weapon (using police definitions), including decorative ones and toys, are forbidden. For this reason, squirt guns should NOT be brought to campus.
